Brunello di Montalcino 2020

WINE ENTHUSIAST

A nuanced nose features aromas of hot tar, peonies, tart blackberries, crushed herbs and stones. Bergamot and more blackberries star on the palate, while undertones of **gra-phite** and pepper maintain that sense of intrigue. Chalky, **dense tannins** structure a **hot finish**.

JANCIS ROBINSON

Lustrous, youthful mid ruby. Rich cherry and cherry liqueur on the nose. **This really sets on concentration.** Lush, deep sweet-sour cherry fruit of endless length but, in spite of its concentration, **well balanced.** Something to age. Bags of chewy **tannins that remain perfectly underneath the fruit.** (WS) Drink 2026 – 2034

WEINWISSEER

Sehr schöne, würzig unterlegte Rotfrucht mit Duft von reifen Himbeeren, blauen Früchten, roten Kirschen sowie ätherisch-balsamischen Noten, Touch Lakritz und Blutorange sowie Rosenstock. **Was für eine geile Nase!** Im Mund **ungemein elegant und saftig**, dabei nuanciert und **finessenreich**, mit geschliffener, würzig unterlegter Textur, sehr einnehmend, **geradezu virtuose Verführung**, wunderbar **ausgewogen** mit feinstrahliger Säurestruktur und **süßlich-charmanter Frucht** und Würze im Finale, perfekt süße Tannine. Deutliche Steigerung gegenüber den Vorjahren. Kann mich nicht erinnern, einen so **herausragenden Wein** aus dem Betrieb en primeur probiert zu haben.

Fior di Meliloto

JAMES SUCKLING

Restrained wine, focused on licorice and fresh spices, **vibrant and elegant** red cherries, some leafy tones and **schist minerality**. Bone-dry on the full-bodied palate with firm acidity and **extracted yet velvety tannins**. Muscular yet ripe on the finish. **A lot of good substance for the long haul.**
Best after 2026.

WINES ENTHUSIAST

Sweet cherry blossoms and **mandarin blossoms** bloom above a vanilla and milk chocolate swirl on the nose, then the **freshness** of fennel and sage gusts in. Wild cherries and raspberries headline the palate, before a searing, chili pepper heat enlivens an **intensely salty finish**.

JANCIS ROBINSON

Lustrous and just mid ruby. **Deep and brooding** with a suggestion of gingerbread and blood orange. Supple, ripe cherry with lashings of **juicy acidity** and quite a bit of powdery tannin on the finish, but **the fruit has plenty of intensity**. (WS) Drink 2025 – 2032

Campo Marzio

JAMES SUCKLING

An intoxicating mix of violets soaked in cherries shines here, enhanced by **earthy tones** and blood-orange depth.

The palate is tight with **chalky yet ripe tannins**, crisp acidity and medium body. **Energetic** and youthful, this will need time to soften. Drink from 2026.

WEINWISSE

Fokussierter, reichhaltiger Duft, dunkle Kirsche, florale Noten. **Dicht und schmelzig, sehr saftige Präsenz**, schöner saftig-dichter Verlauf, **cremige Textur, aber mit Frische und perfektem Tannin**, tolle Süße, **langes Finale** mit süßer Beerigkeit und feinstem, cremig-seidigem Tannin.
Ein grandioser Brunello!

JANCIS ROBINSON

Lustrous mid ruby. Seductive, deep cherry fruit with top notes of mace. **Real substance and depth on the palate** and with grainy **long tannins supporting the fruit load** on the finish. Definitely needs more age. (WS) Drink 2026 – 2036

WINE ENTHUSIAST

The **nose pops with energetic aromas** of cherry candy, pomegranate syrup, blood orange zest and salt. The **palate** similarly oscillates **between salty and sweet**, as the citrus and cherry notes stay strong, before the finish presents a new element of dark chocolate which is fortified by sturdy, **even tannins**.

WEINWISSER

Eigentlich die Riserva-Lage. Schon im Duft kündigt sich ein duftiger, typischer 2020er Brunello mit **floralen Noten**, **reifer Frucht**, süßen **Gewürzen**, Blutorange, **Leder** sowie **erdigen Noten** an. Im Mund zeigt er sich satt mit reifer Fruchtausprägung und **elegantem, seidigem Tanninkorsett**, das die **super saftige Frucht** gut umspannt und im Griff hält.

JAMES SUCKLING

Dark wine here with **earthy** and forest-floor tones, **vibrant cherries**, blood oranges and a hint of saddle leather. Quite full-bodied with **velvety**, slightly dusty **tannins**, **refreshing acidity** and an earthy, rustic finish. Drink or hold.

Brunello di Montalcino 2019 Riserva

Vigna Poggio Molino al Vento

JAMES SUCKLING

Violets woven in with **blackberries as well as graphite** and a minty touch. The palate is firm, medium- to full-bodied with **muscular tannins** and a **tightly wound finish**. From organically grown grapes. Try after 2027.

WINE ENTHUSIAST

The **nose sprinkles salt and pepper over flowers**, dirt and wild strawberries, while on the palate the strawberries are joined by raspberries and cherries, above a continued peppery earthiness. **Acid is fierce and electric**.

TONY WOOD

Intense deep ruby red in colour. **Lifted aromatics** of crushed warm red rose, mint, liquorice, spice and orange peel. Rainer cherry, redcurrant, pomegranate, white smoke, plum, cedar shavings, hints of cinnamon and star anise. **Silky textures** abound on the palate, rich elegance body, completely captures the imbibers in such a subtle way. **Totally epic on the finish**, just wave after wave of fresh, ripe fruit and complex nuances. Wow!

Brunello di Montalcino 2019 Riserva

Anemone al Sole

JAMES SUCKLING

An intense, bright and fruity riserva with dried red cherries and a floral profile of dried roses and violets allied to spicy aromas and citrus depth. Medium- to full-bodied, the palate is firm, crisp and almost sour at the core, then integrated and savory with velvety tannins and a licorice finish. From organically grown grapes. Drink or hold.

JANCIS ROBINSON

Impenetrable deep ruby. Brooding, deep fruit nose with earthy, mineral notes and oak. Pure cherry-and-raspberry palate with cinnamon hints. Exotic but it works. Bags of coating tannins balancing the long, sappy fruit. Needs more time in bottle. (WS) Drink 2027 – 2036

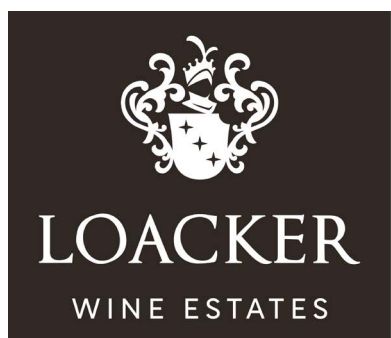

WINES CRITIC

Profondo e decisamente strutturato nel profilo sensoriale mostra note di prugne rosse, fragoline di bosco, cedro in pezzi, amarene, visciole e succo di limone. Corpo medio-pieno, tannini perfettamente maturi ed un finale diretto e decisamente scorrevole in progressione. Meglio dal 2027.
